

SPORT LINE

WATER-BASED PAINT FOR SPORTS
FIELDS ON GRASS AND CLAY

PRODUCT SHEET

DESCRIPTION

SPORT LINE is a water-based paint specifically designed for marking playing areas on sports fields with natural grass or clay surfaces. The product is breathable, rapid-drying, weather-resistant, has good covering power and is available in white and bright red. Formulated in water dispersion, free from solvents and skin-irritating substances, SPORT LINE is harmless for the health of athletes and does not damage the turf.

TECHNICAL CHARACTERISTICS – UNAPPLIED PRODUCT

- Specific gravity: 1300 ± 20 g/l – ISO 2811:1974
- Theoretical dry residue: 43% ± 1% by weight

DRYING TIME (AT 20°C AND 60% R.H.)

- Touch dry: 15–20 minutes
- Fully dry: 10–12 hours

THEORETICAL YIELD

For two coats, depending on dilution: 10–12 m²/l.

APPLICATION

PRODUCT APPLICATION

Application using a line-marking machine.

DILUTION

100–150% max with clean water, according to the required viscosity and marking equipment.

APPLICATION CONDITIONS

Substrate and ambient temperature from +5°C to +40°C; relative humidity < 75%. Do not apply in foggy or rainy conditions and make sure the field is not damp or wet.

CLEANING EQUIPMENT

Clean equipment immediately after use with water.

STORAGE

The product is sensitive to frost; store at temperatures not lower than +5°C. Keep in the original container, protected from frost and sources of heat. Keep out of reach of children. Do not dispose of residues into sewers.

HEALTH AND SAFETY

Refer to the latest Safety Data Sheet for instructions on handling, storage and disposal. Do not release product or empty containers into the environment.

For PROFESSIONAL USE ONLY.

LEGAL NOTICE

The information and recommendations given above, although they correspond to our best experience, must in any case be considered purely indicative and must be confirmed by exhaustive practical applications. Therefore, before using the product, anyone who intends to make use of it must determine whether it is or is not suitable for the intended application and, in any case, assumes all responsibility that may arise from its use. Always refer to the latest updated version of the technical data sheet, available on the website btechitalia.eu.
